

CURRICULUM VITAE

A. PERSONAL INFORMATION

Name	Nicolas Jabbour, M.D., F.A.C.S. Director
Business Address INTEGRIS	Nazih Zuhdi Transplant Institute Baptist Medical Center 3300 N.W. Expressway, 100-3443 Oklahoma City, OK 73112
Business Phone	(405) 949-3349 FAX: (405) 951-2876
Languages	English, French, Arabic

B. EDUCATION

High School	Institute St. Louis, Brussels, Belgium, (Valedictorian)
College or University	Facultes Notre Dame de la Paix, Candidat, (Valedictorian) Namur, Belgium, 1980
Medical School	Universite Libre de Bruxelles, M.D., (Valedictorian) Brussels, Belgium, 1984
Internship Bruxelles	Brugmann University Hospital, Universite Libre de , Brussels, Belgium, 1984-1985
Residencies Bruxelles	Brugmann University Hospital, Universite Libre de , Brussels, Belgium, 1985-1987
	New York Medical College, Lincoln Hospital, Our Lady of Mercy Hospital, New York, 1987-1991
Fellowships	Transplantation Surgery, University of Pittsburgh Medical Center and Childrens Hospital of Pittsburgh, Pittsburgh, PA, 1991-1993
Honors and Awards	Fleurice Mercier Prize, 1981, 1982, 1983, 1984, (Best student in the class) Universite Libre de Bruxelles Belgium;
	Resident Essay Competition Award, 1989 New York- Brooklyn Committee of Trauma;

Resident Essay Competition Award, 1990
Bronx Chapter, American College of Surgeons;

Resident Essay Competition Award, 1991
Bronx Chapter, American College of Surgeons;

New York Medical College Teaching Award, 1991

USC School of Medicine awarded “Best Clerkship Program,” 1997

USC Outstanding Teaching Award from 3rd year medical students, 1998

CJ Berne Award for “Teaching Excellence” from Chief Surgical Residents,
1999

Licensure Oklahoma
Penns

sylvania, MD-043349-L (inactive)
California, A054803
Belgium
New York (expired)

Board Certification

ECFMG 1987
FLEX 1988
American Board of Surgery - General Surgery, 1992/Recertified in 2001
American Board of Surgery - Surgical Critical Care, 1993/Recertified 2003

C. **PROFESSIONAL BACKGROUND**

Academic Appointments

Instructor of Pathology, Universite Libre de Bruxelles,
Brussels, Belgium, 9/82 -10/83

Instructor of Surgery, Division of Transplantation Surgery,
University of Pittsburgh Medical Center,
Pittsburgh, Pennsylvania, 7/93-5/94

Assistant Professor of Surgery, Division of Transplantation Surgery,
University of Pittsburgh Medical Center, Pittsburgh, PA, 6/94-10/95

Assistant Professor of Surgery, University of Southern California,
School of Medicine, Los Angeles, California, 09/95-06/2003

Associate Professor of Surgery, University of Southern California,
School of Medicine, Los Angeles, California, 07/2003-06/2006

Medical Director, Nazih Zuhdi Transplant Institute, INTEGRIS
Baptist Medical Center, Oklahoma City, OK 07/2006-

Hospital Appointments

Attending Physician, Transplantation Surgery,
VA Hospital, Pittsburgh, PA, 1994-1995
Attending Physician, Transplantation Surgery,
Presbyterian Hospital, Pittsburgh, PA, 1994-1995

Attending Physician, Transplantation Surgery,
Childrens Hospital of Pittsburgh,
Pittsburgh, Pennsylvania, 1994-1995

Attending Staff, LAC+USC Medical Center, Los Angeles, 1995 -
Attending Staff, USC University Hospital, Los Angeles, 1995 -
Attending Staff, USC/Norris Cancer Hospital, Los Angeles, 1995 -
Staff, Childrens Hospital of Los Angeles, Los Angeles, 1996 –
Associate Staff, Glendale Adventist Medical Center, Glendale, 1996 – 1999
Associate Staff, Glendale Memorial Hospital, Glendale, 1997 -
Staff, Huntington Memorial Hospital, Pasadena, 2002 -
Staff, Encino-Tarzana Regional Medical Center, Tarzana, 2002 - 2003

Specific Teaching Responsibilities

University of Pittsburgh

Teaching transplant fellows surgical techniques, pre and post-op care of multiple abdominal organ recovery, recipient liver, kidney, liver and small bowel transplantation, University of Pittsburgh, Department of Surgery, 1993-1995

Teaching surgical transplant and critical care fellows the pre/intra and postoperative techniques in transplantation and immunosuppression, University of Pittsburgh, Department of Surgery, 1993-1995

Teaching surgical residents techniques in ICU care and patient management, University of Pittsburgh, Department of Surgery, Division of Liver Transplantation, 1994-1995

Director of Journal Club for Division of Liver Transplantation, University of Pittsburgh, 1994-1995

LAC+USC Medical Center

Formal lectures, conferences, symposiums, bedside rounds, operating room instruction, surgery residents, Hepatobiliary/Pancreas Surgery Service, Department of Surgery, University of Southern California School of Medicine, 1995 – 2006

Postgraduate education lectures on hepatobiliary/pancreas surgery and liver transplantation coordinated through the University of Southern California School of Medicine Postgraduate Medical Education, USC University Hospital or other CME Programs, 1995 – 2006

Tutor Year III Medical Students, lecture at surgery clerkship, Department of Surgery, University of Southern California, School of Medicine, 1996 – 2006

Student Mentor, Year I, II, III medical students, general surgery service, Department of Surgery, University of Southern California 1996 – 2006

Tutor, Problem Base Learning Workshop (PBL) core curriculum for medical students on general surgery service, Department of Surgery, University of Southern California, 1996 -2001

Year II medical students lecture on anatomy of the liver, portal hypertension, and liver transplantation, 1996 - 2006

University of Pittsburgh

Member, “Antibiotics Use” Subcommittee, University of Pittsburgh, PA, 1993-1995

Member, Pharmacy and Therapeutic Committee, University of Pittsburgh, PA, 1994-1995

Chairman, Vision 2000, Subcommittee on Liver Transplantation Cost Saving for Children's Hospital of Pittsburgh, Pittsburgh, PA, 1994-1995

Alternate Member, IRB, Children's Hospital of Pittsburgh, 1994-1995

USC School of Medicine

Facilitator of the "Physician in Society" Public Policy Development, 1996 -

Undergraduate Educational Committee, 1997 -

Director, Surgical Core Curriculum, 5/1997 - 2000

Educational Policy Committee, 1997 - 2000

Clinical Sciences Student Performance Committee, 1997 - 2000

Surgical Residency Advisory Committee, 1998 -

Clinical Curriculum Committee Member, (formerly Year III Curriculum Committee), 1998

Ad Hoc Interdisciplinary Medical Staff Committee, 4/1999

Chairman, Review of OB/GYN Clerkship for Clinical Clerkship Committee, 6/1999

Departmental

Business Caucus Committee Member, Department of Surgery, 1995 -2001

Faculty Member, attendance at monthly faculty meetings, annual resident evaluation Sessions, intern interviews and ranking sessions, weekly grand rounds, weekly morbidity and mortality conferences, yearly departmental retreat, resident’s banquet, Department of Surgery, 1995 -

Director, Surgical Core Curriculum, 1997 - 2000

Surgical Council Committee, USC Department of Surgery, 1998 -2001

Educational Coordinator, Department of Surgery, 1998 –

Director, Surgical Clerkship Program, Department of Surgery, 7/97-2000

Co-Director, Surgical Clerkship Program, Department of Surgery, 2000- 2001

USC University Hospital

Associate Director, Liver Transplantation Service, 1995 - 2006
Director Transfusion-Free Medicine and Surgery 1998 - 2006
Tissue and Transfusion Committee Member, USC University Hospital, 1996 - 2006
Surgery Quality Assurance Committee, USC University Hospital, 1996 - 2006
Information Systems Committee, USC University Hospital, 1996 – 1997
CME Committee for USC IPA Medical Group, 1997 - 1998
Surgical Grand Rounds (alternate Moderator), 1997 - 2006
Chairman, Transfusion-Free Medicine Advisory Committee, 1999 - 2006
Chairman, Pharmacy and Therapeutics Committee, 1999 - 2006
Surgical Residents Advisory Committee, 1999 – 2006
Performance Improvement Committee of the Medical Staff, 2000 - 2006

Other Activities:

Volunteer, CALTECH Medical Screenings, California Institute of Technology, 1996 -2000
Norris Medical Library Focus Group, 1996 –2000
American Liver Foundation Medical Advisory Committee, 1999 -
Volunteer, UNOS Region 5 Liver Review Board Member, Feb – May, 2000

D. SOCIETY MEMBERSHIPS

Local

Calif Attending Staff Association, LAC+USC Medical Center, 1995 -
Society of Graduate Surgeons of the Los Angeles County/
University of Southern California Medical Center, 1996 -
 ornia Hispanic-American Medical Association, 1996 -
American College of Surgeons, Southern California Chapter, 1997 –
Physician’s Advisory Board Member, Glendale Memorial Hospital Cancer Program, 1999-

National

American Medical Association, 1987 -
Pennsylvania Medical Society, 1992 -
American Society of Transplant Surgeons, Fellow 1995 -
American Association for the Study of Liver Diseases, Fellow 1995 -2001
American Lebanese Medical Association, 1996 -
National Arab American Medical Association, Fellow 1996 -
The Society for the Surgery of the Alimentary Tract - 1996 – 11/1999
American College of Surgeons, Fellow 1997 –
Society of Alternative to Blood Management (SABM), **Founding/Board Member** 2002-
A Mother’s wish Foundation: **Board Member** 2000-

International

Belgium Medical Association, 1984 -

E. RESEARCH

Co-Investigator

“A Phase III, Randomized, Open-Label Study to Assess the Safety and Efficacy of Topical Administration of MBI 226 1.0% Gel Versus Standard Medical Care in Patients Undergoing Non-Cuffed, Short Term Arterial and/or Central venous Catheterization.”

Micrologix Biotech, Inc.

2001-2003

Co-Investigator

“An Open-Label, Randomized, Prospective Multicenter Study to Compared the Efficacy and Safety Among Three Immunossuppressant Treatment Regimens in Patient's Receiving a Liver Transplant for End-Stage Liver Disease Caused by Chronic Hepatitis C Infection.”

Baylor University

2002- Ongoing

Co-Investigator

“Blood and Tissue Repository Protocol for Patients with Hepatic, Biliary and Pancreatic Diseases and Liver, Pancreas and Kidney Transplant Candidates and Recipients.”

Department Driven

2002- Ongoing

Co-Investigator

“Evaluation of Short and Long Term Effects of Partial Liver Donation.”

HRA

2002-Ongoing

Co-Investigator

“Patients Outcomes Registry for Transplant Effects on Life.”

Astellas

2002-Ongoing

Co-Investigator

“Phase III Pivotal Trial: A Randomized Clinical Trial Using Fibrin Sealant, Produced by Cryoseal FS System in Patients Undergoing Liver Resection.”

ThermoGenesis

2003-Ongoing

Co-Investigator

“A Phase III, Randomized, Open-Label, Comparative, Multi-Center Study to Assess the Safety of Prograf (tacrolimus)/MMF, Modified Release (MR) Tacrolimus/ MMF and Neoral (cyclosporine)/MMF in de novo Kidney Transplant Recipients.”

Astellas

2003-Ongoing

Principal Investigator

“On Line Monitoring of Hepatic Perfusion Using Fluorescence Attenuation Spectroscopy”
Subcontract from NIH
2003-2004

Principal Investigator
“Liver Monitoring Device”
Alfred Mann Institute, USC
2004-Ongoing

Co-Investigator
"Isolation of Human Hepatocytes for Cold Storage, Cryopreservation, Cell Culture and
Distribution of Cells for Research or Commercial Use”
CellzDirect, Inc.
2004-Ongoing

Co-Investigator
“Randomized, Prospective, Phase II Study Comparing Thymoglobulin in a Rapid Discontinuation
of Corticosteroids Protocol with Standard Corticosteroid Therapy in Living Donor Renal
Transplantation Using Mycophenolate Mofetil and Tacrolimus Maintenance Therapy.”
Genzyme Medical Corporation
2004-Ongoing

Co-Investigator
"A Randomized, Open-Label, Comparative Evaluation of Conversion from Calcineurin Inhibitor
Treatment versus Continued Calcineurin Inhibitor Treatment in Liver Allograft Recipients
Undergoing Maintenance Therapy"
Wyeth Pharmaceuticals Inc.
2004-Ongoing

Co-Investigator
"A Randomized, Open-Label, Comparative Evaluation of Conversion from Calcineurin Inhibitor
Treatment versus Continued Calcineurin Inhibitor Treatment in Liver Allograft Recipients
Undergoing Maintenance Therapy - Pharmacokinetics "
Wyeth Pharmaceuticals Inc.
2004-Ongoing

Co-Investigator
"A Three-Month, Open-Label, Two Cohort Study of Investigating the Safety and Tolerability of
Myfortic in Combination with Neoral or Tacrolimus in Renal Transplant Recipients with GI
Intolerance"
Novartis Pharmaceuticals Corporation
2005-Ongoing

Principal Investigator
"Prospective, Randomized, Controlled, Multicenter Study of the Impact of Thymoglobulin with
a Calcineurin Sparing Strategy on Liver Transplantation Outcomes"
Genzyme Medical Corporation
2005-Ongoing

Co-Investigator

"A Prospective, Open-Label, Multi-Center, Randomized Trial of the Efficacy and Safety of a Long Term Calcineurin Inhibitor-Free Maintenance Regimen with Mycophenolate Mofetil and Sirolimus in Recipients of an Orthotopic Liver Transplant"

Roche Laboratories Inc
2005-Ongoing

Co-Investigator

"Comparative Study of Tolerability and Outcome of Myfortic and Cellcept in Kidney Transplant Recipients"

Novartis Pharmaceuticals Corporation
2005-Ongoing

PATENTS

1. Patent No: US 7,241,287 B2 **Implanted Surgical Drain with Drain Holes for Monitoring Internal Tissue Condition (Smart Drain)**
2. Patent No. US 7252659 **Implanted surgical drain with multiple sensing elements for monitoring internal tissue condition**
3. **Patent No. US 7264616 Method of utilizing a surgical drain with sensors for monitoring**
4. **Patent No. US 7,244,251 B2 Implanted surgical drain with multiple sensing elements for monitoring internal tissue condition**

13. Conversion from Cyclosporine to Tacrolimus in Pediatric Liver Transplant Recipients. LICAGE/ILTS Joint Congress on Liver Transplantation, London, September 1995.
14. Does Transjugular Intrahepatic Portosystemic Shunt (TIPS) Correct Thrombocytopenia Associated with Liver Cirrhosis? LICAGE/ILTS Joint Congress on Liver Transplantation, London, September 1995.
15. Adult Primary Liver Transplantation under Tacrolimus: More than Five Years Actual Follow-up. LICAGE/ILTS Joint Congress on Liver Transplantation, London, September 1995.
16. Liver Transplantation in Children with Cirrhosis and Hepatopulmonary Syndrome. AGE/ILTS Joint Congress on Liver Transplantation, London, September 1995.
17. Surgical Portosystemic Shunt in Children with Variceal Bleeding. Poster presentation; The American Association for the Study of Liver Disease, Chicago IL, October 1995.
18. Bacteremia Associated with Rejection and Post Transplant Lymphoproliferative Disorder (PTLD) following Intestinal Transplantation in Children. Poster presentation; International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.
19. The Spectrum of Epstein Barr Virus Infection after Intestinal Transplantation. Poster presentation; International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.
20. Improved Survival with Cytomegalovirus Infection after Intestinal Transplantation in Children. Poster presentation; International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.
21. Intestinal Retransplantation. Poster presentation; International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.
22. Gastrointestinal Post-Transplant Lymphoproliferative Disease after Small Bowel Transplantation. Poster presentation; International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.

23. Intestinal Transplantation in Children: Five year Experience. Poster presentation; International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.
24. Concomitant Infusion of Unmodified Donor Bone Marrow in Unconditioned Recipients of Intestinal Allografts. International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.
25. The Use of Quantitative PCR to Predict onset of EBV infection and PTLD after Intestinal Transplantation in Children. International Symposium on Small Bowel Transplantation, Pittsburgh PA, October 1995.
26. Surgical Management of Complicated Hepatic Hydatid Disease. Poster presentation, The Southwestern Surgical Congress, San Antonio TX, April 19-22, 1998.
27. Strategy for Liver Transplantation without Blood Products. American Society of Transplant Surgeons, Washington, D.C., April 2002.
28. Long-Term Results after Live Donor Liver Transplantation in Adult and Pediatric Patients. American Society of Transplant Surgeons, Washington, D.C., April 2002.
29. Live Liver Donation without Blood Products: Lessons Learned from Jehovah's Witnesses. Poster presentation. American Transplant Congress, Washington DC, April-May 2002.
30. Use of Recombinant Human Coagulation Factor VIIa in Liver Transplant Recipients. Poster presentation. American Transplant Congress, Washington DC, April-May 2002.
31. Thrombotic Thrombocytopenic Purpura in Three Liver Transplant Recipients. Poster presentation. International Liver Transplantation Society, Chicago IL, August 2002.
32. Diagnosis and Management of Splenic Artery Aneurysms in Liver transplantation candidates and Recipients. Poster presentation. International Liver Transplantation Society, Chicago IL, August 2002.
33. Liver Donor Related Liver Transplantation without Blood products. Poster presentation. International Liver Transplantation Society, Chicago IL, August 2002.
34. Pseudoaneurysm of the Hepatic Arterial Vasculature, Southern California Chapter of the American College of Surgery, Santa Barbara CA, January 16-18, 2004.
35. Stimulation of Erythropoiesis in Cancer Surgery: An Alternative to Blood Transfusion, Society of Surgical Oncology, 2007 Annual Cancer Symposium, Washington, D.C., March 2007

POSTGRADUATE LECTURES FOR COMMUNITY EDUCATION

1. Transplantation Surgery. Advance Biology Students at the University of Pittsburgh Medical Center, Pittsburgh PA, March 1994.
2. Transplantation Surgery. Chartiers Houston High School Advance Biology Students at the University of Pittsburgh Medical Center, Pittsburgh PA, April 1994.

3. Public Health Education. MIE-MIE Womens' Organization, MIE-MIE, Lebanon, August 1994.
4. Organ Donation. Center for Organ Recovery & Education "Vital Connections Program" St. Joseph's Hospital, Buchannon, West Virginia, January 1995.
5. Liver Transplantation, USC University Hospital Women's Auxiliary, Doheny Medical Center, Los Angeles CA, February 1998.
6. Proximal Cholangiocarcinoma, St. George Society Seminar, Edmondson Faculty Center, Los Angeles CA, January 2000.
7. Organ Donation. The Downtown Rotary Group, Los Angeles CA, March 2000.
8. Live Donor Liver Transplantation, St. George Society Seminar, Edmondson Faculty Center, Los Angeles CA, January 2001.
9. Liver Transplantation Overview, Rotary Club, Manhattan Beach CA, Spring 2001.
10. Bloodless Liver Transplantation, St. George Society Seminar, Edmondson Faculty Center, Los Angeles CA, January 2002.
11. Understanding Transfusion-Free Transplant, Women's Health Care Forum, Oklahoma City, OK September 2006
12. Principles of Transfusion-Free Surgery, Edmond Nursing Group, Edmond, OK, October, 2006
13. Complicated GI Pathology, The Surgeon's Perspective, GI Physicians, Oklahoma City OK, November 2006
14. GI Pathology: A Surgeon's Perspective, GI Physician's Group, Tulsa, OK November 2006
15. Hepatobiliary Cancer Update, INTEGRIS Tumor Board, Oklahoma City, OK, January, 2007
16. Islet Cell Transplantation, New Technology Committee Mtg., Oklahoma City, OK, April 2007

POSTGRADUATE LECTURES

1. Compartment Syndrome: Pathophysiology and Clinical Management. Surgical Grand Rounds Our Lady of Mercy Medical Center, Bronx NY, January 1990.
2. Small Bowel and Multivisceral Transplantation. Weekly Ground Rounds of Pediatric Critical Care, Childrens Hospital of Pittsburgh, Pittsburgh PA, December 1994.
3. Chimerism and Bone Marrow Augmentation in Solid Organ Transplantation. In-Service Lecture for Transplant and Critical Care Medicine Nurses, University of Pittsburgh Medical Center, Pittsburgh PA, December 1994.

4. Cryptococcal Meningitis in Liver Transplant Patients. Transplantation Medicine Grand Rounds, University of Pittsburgh Medical Center, Pittsburgh PA, March 1995.
5. TIPS in the Management of Portal Hypertension. Pittsburgh Transplantation Institute Weekly Lecture Series, Pittsburgh PA, April 1995.
6. Liver Transplantation. Rancho Los Amigos Grand Rounds, Los Angeles CA, March 1996.
7. Hepatic Resection for Metastatic Tumors, Garfield Medical Center, Monterey Park CA, March 1996.
8. Liver Transplantation. Daniel Freeman Marina Hospital, Los Angeles CA, March 1996.
9. Hepatic Resection for Primary and Metastatic Tumors. Western Medical Center Hospital, Anaheim CA, May 1996.
10. Liver Transplantation. St. Luke Medical Center, Pasadena CA, May 1996.
11. Liver Transplantation. Pacific Alliance Medical Center, Los Angeles CA, May 1996.
12. Liver Transplantation: 1996 and Beyond. Community Memorial Hospital of San Buenaventura, Ventura CA, May 1996.
13. Laparoscopic Cholecystectomy Injuries. Desert Hospital, Palm Springs CA, June 1996.
14. The Nature and Repair of Laparoscopic Cholecystectomy Injuries. Centinela Hospital Medical Center, Inglewood CA, June 1996.
15. An Update on Liver Transplantation. Glendale Memorial Hospital, Glendale CA, June 1996.
16. Liver Transplantation. St. Francis Medical Center of Santa Barbara, Santa Barbara CA July 1996.
17. Liver Transplantation. Verdugo Hills Hospital, Verdugo Hills CA, July 1996.
18. Liver Transplantation. St. Mary's Regional Hospital, Apple Valley CA, July 1996.
19. Management of End Stage Liver Disease. Long Beach Memorial Medical Center, Long Beach CA, August 1996.
20. End Stage Liver Disease. Kaiser Fontana, Fontana CA, September 1996.
21. Update on Liver Transplantation, USC Department of Medicine Grand Rounds, Los Angeles, January 1997.
22. Liver and Biliary Tract Trauma, Northridge Hospital Medical Center, Northridge, CA, February 1997.
23. Liver Transplantation in Pediatric Population, Childrens Hospital Los Angeles, February 1997.

24. Clotting System in Liver Disease/Hematology, Hematology Grand Rounds, LAC+USC Medical Center, Los Angeles, February 1997.
25. Liver Transplantation: Medical Grand Round, UCLA Harbor Medical Center, Los Angeles, March 1997.
26. Update on Pediatric Liver Transplantation, Childrens Hospital Los Angeles, April 1997.
27. Gunshot Wounds and Other Injuries to the Liver, Trauma Care Conference, St. Francis Medical Center, Lynwood, CA, April 1997.
28. Pediatric Liver Transplantation and New Trends, White Memorial Medical Center, Los Angeles, April 1997.
29. Liver Transplantation, Century City Hospital, Los Angeles, CA, June 1997.
30. Hepatic Resection for Primary and Metastatic Tumors, Providence Holy Cross Medical Center, Mission Hills, CA, June 1997.
31. End Stage Liver Disease: Manifestation and Management, Saddleback Memorial Medical Center, Laguna Hills, CA, June 1997.
32. Indications for TIPS and Portacaval Shunt for Persistent UGI Bleeding, Suburban Medical Center, Paramount, CA, August 1997.
33. Technical Aspects of Liver Transplantation in Children, Childrens Hospital Los Angeles, Los Angeles, CA, August 1997.
34. Hepatic Resection for Primary and Metastatic Tumors, Centinela Medical Center, Los Angeles, CA, September 1997.
35. Surgical Management of Hepatic Tumors, GI Grand Rounds, LAC+USC Medical Center, Los Angeles, CA, September 1997.
36. Hepatic Resection for Primary and Metastatic Tumors, St. Luke Medical Center, Pasadena, CA, September 1997.
37. Pancreatic Anatomy & Physiology, Core Curriculum, Surgical Residents, LAC+USC Medical Center, Los Angeles, CA, September 1997.
38. Acute & Chronic Pancreatitis, Core Curriculum, Surgical Residents, LAC+USC Medical Center, Los Angeles, CA, September 1997.
39. Liver Transplant Management, LAC+USC Medical Center Critical Care Grand Rounds, Los Angeles, CA, October 1997.
40. Innovations, Research & Future Directions in Transplantation, Midway Hospital Medical Center, Los Angeles, CA, October 1997.

41. Cirrhosis and Portal Hypertension, Core Curriculum, Surgical Residents, LAC+USC Medical Center, Los Angeles, CA, October 1997.
42. Management of Hepatobiliary and Pancreatic Complications, Monterey Park Hospital, Monterey Park, CA, November 1997.
43. Hepatocellular Carcinoma, Rancho Los Amigos Medical Center, Liver Conference, Los Angeles, CA, November 1997.
44. Therapy for Hepatocellular Carcinoma, LAC+USC Medical Center Surgery Grand Rounds, Los Angeles, CA, November 1997.
45. Liver Transplantation Intraoperative Considerations, Norris Cancer Center Anesthesia Grand Rounds, Los Angeles, CA, January 1998.
46. Review of Hepatocellular Carcinoma, Desert Hospital, Palm Springs, CA, February 1998.
47. Bloodless Surgery, USC University Hospital/Jehovah Witness Conference, Los Angeles, CA, February 1998.
48. Anatomic Considerations in Liver Transplantation, USC School of Medicine, lecture for Year II medical students on the Anatomy of the Liver, Los Angeles, CA, February 1998.
49. Surgical Option in the Treatment of Portal Hypertension: USC School of Medicine, lecture for year II medical students on the Anatomy of the Liver, Los Angeles, CA, March 1998.
50. Hepatomas and Liver Disease, Glendale Memorial Hospital, Glendale, CA, March 1998.
51. Significant Developments in Transfusion-Free Medicine and Surgery, Encino-Tarzana Regional Medical Center, Tarzana, CA, June 1998.
