

# Our Healthcare Giving Tree

## To perpetuate the health of our community

In recognition of those whose outstanding generosity demonstrates a commitment to the tradition of yesterday and the vision of tomorrow. The future of rural health is unclear, a condition that will most likely continue. In today's climate of shrinking healthcare revenues, increasing write-offs, low reimbursements and decreasing capital dollars, philanthropy is playing an increasing important role at our rural facilities. And, although INTEGRIS Rural Health is providing access across the state to quality healthcare, there is still so much more that could be done. We need your help to do this. Your donations to our Healthcare Giving Tree will help INTEGRIS Marshall County Medical Center expand the services offered while continuing to maintain the quality of healthcare provided.

## Our Healthcare Giving Tree
